

Maschio's Food Services, Inc.

August, 2012

Dear Tewksbury Township Families,

This fall, Tewksbury Township school cafeterias are meeting strict new federal nutrition standards for school meals, ensuring that meals are healthy and well-balanced and provide students all the nutrition they need to succeed at school. Now is a great time to encourage your children to choose school lunch!

School meals offer students milk, fruits and vegetables, proteins and grains, and they must meet strict limits on saturated fat and portion size. Starting in School Year 2012-2013, school lunches will meet additional standards requiring:

- **Age-appropriate calorie limits**
- **Larger servings of vegetables and fruits (students must take at least one serving of produce)**
- **A wider variety of vegetables, including dark green and red/orange vegetables and legumes**
- **Fat-free or 1% milk (flavored milk must be fat-free)**
- **More whole grains**
- **And less sodium**

We will be working to offer Tewksbury students healthier and tastier choices. Maschio's registered dietitians and corporate chefs are proud to present the new "Seasonal Menus" this school year. Maschio's Farm to School Program partners with numerous local farms to provide fresh from the farm produce to the students' lunch tray. Maschio's is also proud to announce the Chef to School Program that has been very successful in providing creative menu choices and interaction with the students.

School meals are a great value and a huge convenience for busy families too!

We look forward to welcoming your children to the cafeterias this fall. To find out more about Tewksbury healthy school menu, please visit the school's website. Maschio's website is www.maschiofood.com where you can view information about Maschio's in addition to nutritional information about the products we serve. Please feel free to visit www.TrayTalk.org to get the facts about school meals.

Thank you.

Maschio's Food Services, Inc.

Maschio's Food Services, Inc.

August 2012

Dear Parents/Guardian:

Maschio's Food Services is pleased once again to be offering lunch daily at each school in the Tewksbury School District. Lunch may be paid for in cash at the checkout line or money/check may be sent in on a daily, weekly or monthly basis. Each student has an account to which money can be applied and will be identified by entering their PIN number at the checkout so their meal can be accounted for. Your student will keep the 'same' PIN number from kindergarten through 8th grade.

Checks should be made payable to "T.T.B.O.E." and include the student's full name written clearly on the check. Unless you let us know otherwise, your student may use the monies in his/her account to buy any items we sell. We've attached the September menu for your viewing as well as an itemized price list for discussing the items/prices with your child(ran). Also attached is the Payment Form on which you may place requests for Lunch Only or No Snacks.

Any student enrolled in Tewksbury schools, grades K-7 last year who had a balance in their account at the end of the school year will be able to use that money this year EVEN IF they changed schools. A student may have a maximum lunch account balance of negative three-dollars and ten cents (-\$3.10). **After this negative balance has been reached, if no monies are received, the student will receive a hardboiled egg, a package of crackers and a milk for lunch until a deposit is made to their account.** You can check your child's account balance any time by logging on to Realtime.

Also, as a reminder, at the end of each school year, monies left in your 8th grader's account can be credited to another sibling's account

Should you have any questions or concerns, please direct them via e-mail to:
cpepetewksbury@gmail.com

We greatly appreciate your cooperation and support of the food service program in Tewksbury and we look forward to serving your students once again.

Sincerely,

Cathy Pepe
Director Maschio's Food Services
