

HEALING RACISM WORKSHOPS

**The 2013 Winter Series will be held at the
First Unitarian Society, 1342 N. Astor Street
EIGHT CONSECUTIVE WEDNESDAYS, 4:30 – 6:30 PM
Beginning January 30 and ending March 20**

We have all “been assigned a race by America’s pervasive socialization process.” (*Learning To Be White*, Thandeka) This racial conditioning permeates the fabric of our inter-personal and inter-group relations, taking little account of laws and statutes, and reaching deep into the hearts and minds of individuals. In these sessions we seek to create an environment in which we can address each other in a spirit of openness, free of blame or victimization.

WE OFFER
